

Customer and Stakeholder Engagement: Gainsborough

On 30 November 2022 we announced the closure of 114 branches, including our branch at Gainsborough. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 20th and 23rd January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Sir Edward Leigh, constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillor Tim Davies, Council Leader
- Councillor Pat O'Connor, Gainsborough Council Leader
- Clerk for Parish Town Council, Belina Boyer
- Post Office Area Manager, Joanne Fryatt
- Age UK
- Citizens Advice
- Gainsborough Library
- Nacro Housing
- St Johns Ambulance
- Voluntary Centre Services
- Alzheimer's Society

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Information correct at the time of publication.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Sir Edward Leigh, Constituency MP who responded to our CEO Ian Stuart. Our Local Director responded offering to meet to discuss the closure, there has been no further correspondence.
- Customers have shown concern about the members of staff in the branch and have been pleased to learn that the team would be relocating to other branches.
- General customer sentiment was disappointment that the branch was being closed as some customers are not comfortable using digital channels. The staff within the branch have been actively supporting these customers and discussing alternative methods of completing transactions.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customer's specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

Follow up action taken

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- The Network Manager in the branch has spoken with the closest Post Office to the branch to ensure they are aware of the closure at Gainsborough branch and the services they can provide to our customers.

Information correct at the time of publication.

- We have spoken with customers who were not aware of alternative ways to bank. We have been supporting these customers by explaining all the options available to them and agreeing a suitable way forward with them. These alternatives include Post Office, digital banking, telephone banking and alternative branches. On some occasions the branch staff have visited the Post Office with customers to support them with their visit.
- The branch have supported customers who have no access to a compatible device for online banking through our community tablet programme, ensuring they are able to get online and educating them in how to navigate online and mobile banking.
