What is this type of insurance?

This product is designed to offer protection in the event of unexpected or unintentional incidents. It covers the mobile phones of HSBC Insurance Aspects holders against damage, breakdown (outside of warranty), theft and loss.

We settle claims by repairing or replacing the phone. The replacement phones we provide are refurbished models.

What is insured?

- ✓ Damage (sudden and unexpected damage that affects how your phone works)
- ✓ Theft
- ✓ Accidental loss
- ✓ Breakdown of your phone after the manufacturer's warranty or a warranty provided as part of a previous claim expires
- ✓ Up to £1,500 to cover costs you incur due to unauthorised use in respect of your phone in respect of calls, texts, and mobile data, if your phone is lost or stolen (£150 on a Pay As You Go contract)

What is not insured?

- ✗ You will need to pay an excess towards each successful claim - £50 for repair, £75 for replacement
- ✗ There is no cover for any phone if the circumstances suggest the person insured deliberately put the phone at risk
- ✗ We will not cover theft from an unattended vehicle unless the vehicle was locked and the phone concealed from view
- ✗ We will not cover information stored on the phone such as photos, data, apps and music and/or the recompilation, reinstallation or retrieval of data

Are there any restrictions on cover?

- ! Cover is only for phones which you own
- ! A maximum of two claims can be made per year by each HSBC Insurance Aspects holder
- ! You'll need to make a separate claim for each phone, even if multiple phones are affected in the same incident
- ! Cover for unauthorised use is restricted to costs incurred up to 24 hours after you realise your phone is missing (48 if you're abroad). You should report the loss or theft to your network provider as soon as possible, and you'll need to provide us with evidence of the charges

Where am I covered?

- ✓ Cover applies worldwide providing you remain a UK resident, or the Channel Islands and the Isle of Man if you are resident there

What are my obligations?

- You must take reasonable care to provide complete and accurate answers to the questions we ask when you take out and make changes to your policy, and when you make a claim
- For all claims you will need to confirm the IMEI number of the phone you are making a claim for. You can find the IMEI number on the box or receipt for the phone, by dialling *#06# on your phone's keypad, or ask your network provider
- For damage and breakdown claims, if the phone is security protected, this protection needs to be removed before the claim can be processed, such as Activation Lock on iPhones
- For all theft claims you will need to report the theft to the police and request a crime reference number before a claim can be submitted

When and how do I pay?

Cover is provided as part of your Insurance Aspects account and the fee will debit from your HSBC Advance bank account each month.

When does the cover start and end?

Cover begins on 1 November 2018 or the date you become an HSBC Insurance Aspects holder, whichever is later, and remains in place until you cancel it (or you are no longer eligible for cover), or you close your HSBC Advance account, whichever is sooner.

How do I cancel the contract?

This Mobile Phone Insurance policy forms a core part of your HSBC Insurance Aspects and it cannot be cancelled in isolation. If you wish to cancel this insurance, you will need to cancel HSBC Insurance Aspects. To do this, please contact HSBC on 03457 404 404.
